Standard Product Details

Think we're hiding something? You may be right. Byrne's Ellora is a simple, yet stylish way to bring power and data up to the work surface. Building on the popular aesthetics of the Byrne Mho line with anodized aluminum constructions, Ellora's smart design keeps cable clutter out of sight by allowing use while the lid is shut.

Standard Features:

- Includes a Voice/Data Adapter Kit (BE01421) to accept couplers & jacks when required.
- Fits in tops 3/4" to 1-3/4" thick.
- UL Listed
- Requires cutout in work surface.
- Available with Byrne spill-proof simplexes.
- Works with [Ellora Storage and Wire Management Tray](#)
- Configurations with four or more power receive a Circuit Breaker Cord

Additional power, data, size and finish options are available. Don't see what you're looking for online? [Just give us a call.](#)
