Standard Product Details

Assemble® is an edgy solution to desktop power and data needs that takes your business where you want to go—even if it's just from one room to the next. Assemble brings new flexibility to the surface, because it doesn't require any cutout or installation. This hardworking power and data center easily attaches to the edge, accomodating tables and desktops of varying thickness.

Standard Features:

- Mounts to edge of work surface
- Available with or without a faceplate
- Doesn't require cutout in work surface
- Includes a Voice/Data Adapter Kit (BE01421) to accept couplers & jacks when required
- UL Listed
- Fits in tops 3/4" to 1-1/2" thick
- Available with Byrne spill-proof simplexes
- Available in Byrne Interlink and Interconnect. Please call Byrne Customer Relations (1-616-866-3461) for more information
- Available [Cradle to Cradle Certified™ at the Bronze Level](#) - call for more information
