Moiré packs a fashionable - and functional - punch in any workplace. Moiré is a member of the MyPower family, bringing customizability to a new level. With its removable, customizable top, the creative possibilities for texture or pattern are endless. Moiré also features a sophisticated, high-gloss plastic finish. A range of power, data and USB configurations are available as well - including a 2 port USB duplex that's ideal for charging tablets and other USB-friendly electronics. Offered in mounting options: Monument, Side and Hole mount. Moiré is UL listed and is available in 15 amp cord.

Standard Features:

- High gloss plastic finish.
- Removable top surface that [can be customized](#) for both business and personal purposes.
- Various configurations of power, data and USB, including up to 2 pass through cord management positions.
- USB duplex ideal for charging two tablets and other USB friendly electronics.
- Two orientations: monument and hole mount.
- Available with Byrne spill-proof simplexes.
- Available with a small cutout for data cord pass through (pictured)
- Configurations with four or more power receive a Circuit Breaker Cord
