The Assemble family of desktop power and data solutions welcomes a new member—Reveal. No on-surface installation required, which means no holes to drill or cut. This makes Reveal an ideal solution for executive workstations and boardrooms. Hidden away until needed, Reveal's one-touch operation slides on a track and locks into place, and back into stow position when not in use.

Standard Features:

- Available with 15 amp cord
- Includes a Voice/Data Adapter Kit p/n BE01421 to accept couplers & jacks when required
- Doesn't require cutout in work surface
- UL listed
- Available with Byrne spill-proof simplexes
- Available as a Hardwired option
- Available [Cradle to Cradle Certified™ at the Bronze Level](#) - call for more information
