Standard Product Details

Soba zips loose cables up and consolidates them into a single tube that can be routed and affixed along walls, under desks, anywhere you have multiple cables running that you want to tidy up. The proprietary zipper tool, twists on to the tube to help open and route cables, while Vortex technology auto-coils the tube behind the passing zipper to bundle cables inside. Soba can accommodate large or small cables, up to three cables at once.

Standard Features:

- Zips up, bundles and routes loose, messy cables into a single tube
- Routes and guides cables behind desks, TVs, and anywhere cables tend to get messy
- Accommodates large or small cables, up to three cables at once
- Dimensions: 9ft x 9in x 3.15in
