Specifications

Finish Options:

Silver Anodized Aluminum

Standard Product Details

Beautifully formed in solid Aluminium, Mika has soft rubber edges to protect your devices. From large phones like the Galaxy Note to tablets of all sizes, including the Nexus 7, iPad and iPad Mini, Mika is the all-purpose stand for propping up digital devices. Mika can even accommodate the complete range of MacBook Air and Retina MacBook Pro laptops. Mika integrates seamlessly into your desktop. It provides the perfect resting place for your tablet or laptop, keeping your workspace neat and tidy and ready for whatever the day holds. Mika has been designed to hold your tablet at an ergonomic angle, allowing you to access applications, surf the web, watch videos or read with ease.

Standard Features:

- Universal tablet stand that works with everything from smartphones to tablets to laptops.
- Formed from high-quality aluminum, with soft rubber protective edges.
- Tilts devices at the optimal, ergonomic angle of 70 degrees for ease of use with apps, watching videos, or reading.
