Standard Product Details

Milo is the ideal place to rest your smartphone. High-tech Japanese Micro-Suction pads hold your device at the perfect angle for hands-free conferencing, watching videos or utilizing apps. Micro-Suction is a series of tiny suction cups that adhere to any hard, smooth, flat surface without leaving behind a residue. Milo works best on smooth surfaces, gripping securely to glass, plastic, finished wood, metal, laminate and other non-porous tabletops. To use with a textured or soft-silicone case, simply rest your device against the bottom lip. Milo is available in Black, White, Aluminium Black and Aluminium White.

Standard Features:

- Uses high-tech micro-suction to securely grip flat surfaces
- Will not leave a sticky residue
