# 14 Pack Voice/Data Adapter Kit

**Product Number: BE01421-AV**

## Specifications

**Power/Data Configuration:** Full tree \*

**Finish Options:** White

## Standard Product Details

The Voice/Data Adapter Kit allows jacks and couplers to be used in Byrne's power/data centers. Choose the appropriate adapter, install your jack or coupler, and snap it into place into our modular windows. All of Byrne's power and data centers that need adapters will come with a Voice/Data Adapter Kit. You can also order them right here.

### Standard Features:

- Included with all Byrne Power/Data Centers.
- Can be purchased separately.
- Provides adapters for a variety of manufacturers jacks & couplers.
- See 'Installation' tab below for installation instructions.
- See 'Additional Information' tab below for each Power/Data Center's compatibility chart.
