Ellora Storage Tray

Product Number: BE03052

Standard Product Details

Byrne's popular [Ellora® power data](#) center keeps cable clutter out of sight by allowing use while the lid is shut. The Ellora Storage Tray brings it all together by managing cords beneath the work surface, as well. The Ellora Storage Tray is an easy-to-install, simple solution for cord management. While it was designed specifically to fit Ellora, it can also be used as a wire management tool wherever there is unwanted cords beneath the work surface.

Features:

- Cable Management box
- Mounts under the work surface to contain cords
- Designed to fit beneath an Ellora power data center
- Can also be used for wire management in other applications
- Screws are not included
- Finish: Black Wrinkle
- See Cut Sheet for Dimensions
