Product Number: BE03844-C-72

Specifications

Finish Options:

Black

Cord Option:

72 Inches (Corded)

Standard Product Details

Retrofit USB offers 2 Amps per port, and can be installed in most Byrne products - either by us or in the field. Retrofit USB takes the space of one data port, and snaps into place easily, making it simple to upgrade your technology.

Standard Features:

- (2) USB-A connections for USB-powered devices
- 20 Watt Power Supply
- Requires (1) open port
- Can be installed at Byrne or in the field
- Available in certain UL listed Byrne Power and Data Centers
- Contact our Customer Relations for a list of compatible Byrne products

To order this product please reference the above product number and contact Byrne Customer Relations at 616.866.3449 or visit our website: <https://www.byrne.com/>

*Data cables for open ports are sold separately. [Click here to purchase.](#)
