Cord Option:	72 Inches (Corded)

Standard Product Details

Retrofit USB-A+C can be installed in most Byrne products - either by us or in the field. Retrofit USB-A+C takes the space of one data port, and snaps into place easily, making it simple to upgrade to the newest technology and accommodate existing devices at the same time.

- Standard Features:
 - Uses intelligent negotiation for optimum voltage, which allows devices to determine the power level they need
 - For charging only
 - Accommodates USB-C and USB-A enabled smart phones, tablets and laptops
 - 20 watt retrofit power supply
