## Standard Product Details

As our workplaces become more and more collaborative, we find that distractions and interruptions can have unintended negative effects on our productivity. We partnered with [Embrava](#) to meld their status light system seamlessly into our robust power delivery systems, putting control of your time back in your hands. Welcome to the workplace of the future, we're here to help you get this done!

Embrava status Lids can be ordered on our Burele and Moire units.

The Embrava status light is available in our Assemble, Axil and Mho Lines as well as Burele and Moire.

[Connect](#) with your Byrne CR representative to learn more about Embrava and how the Byrne Embrava Status Light can help enhance the productivity of your workspace.
