BYRNE Facemask Extender (pack of 10)

Product Number: BE07941-LT-10

Specifications

Finish Options: Gray

Standard Product Details

Surgical masks are critical gear in a variety of healthcare settings. But over time, a mask's elastic bands can irritate and even cut into the ears and face. Our mask extender provides an easy-to-use solution – releasing the tension and lifting the bands completely off the back of the ear, so the mask stays firmly, but comfortably, in place. The lightweight, tangle-free design also helps accommodate a variety of head sizes and hair styles.

- Sold in packs of 10.
- 3 colors available: light gray, pink or blue.
