Standard Product Details

Flat Surfaces have always been tricky when it comes to power and data. That’s why Axil® Z’s flush mount power and data center—with its patented spill-proof outlets—delivers a UL Listed solution on any flat work surface. Constructed from anodized aluminum with a painted, steel faceplate, Axil Z is a customizable power/data solution that’s as robust as it is revolutionary.

Standard Features:

• Mounts flat, sitting just above work surface
• Requires cutout in work surface
• Includes a Voice/Data Adapter Kit (BE01421) to accept couplers & jacks when required
• Fits in tops 3/4” to 1-3/4” thick
• Available in black and white painted finishes
• Available with Byrne spill-proof simplexes
• Configurations with four or more power receive a Circuit Breaker Cord

Multiple power, data, size and finish options are available. Don’t see what you’re looking for online? Just give us a call.
