

A teal metal nightstand stands in a bedroom. On top of it is a white power strip with three outlets, a red power cord, a white power cord, a stack of books including 'TRAPPED' and 'KIMONO-FIVE SEASONS', and a tablet. Below the nightstand, a stack of books is on the floor, including 'MAPS', 'CHAGALL A Retrospective', 'Animalium', and 'SURVIVAL WISDOM & KNOW-HOW'. A painting with pink and white abstract colors hangs on the wall above the nightstand. A wooden bed frame with a grey blanket is visible to the right.
