

Glenbeigh

BYRNE

Glenbeigh®

Glenbeigh Traditional

The Byrne tradition of innovation in desktop power and data solutions continues. The elegant design makes these units ideal for the Home, Healthcare, and Hospitality environments. Constructed of durable die-cast zinc and finished in either Antique Brass, Dark Bronze, and Satin Nickel plated finishes, or Midnight Black, Parchment White, and Metallic Silver powder coated finishes, they complement a wide range of decor.

Glenbeigh Contemporary

Presenting a simple and refined solution to your Home, Hospitality, and Healthcare environments. The clean lines and durable die-cast construction provides an elegant simplicity that demands attention. Available in both plated and powder coated finishes, they are sure to match your design needs. Available finishes; Antique Brass, Dark Bronze, and Satin Nickel plated finishes, or Midnight Black, Parchment White and Metallic Silver powder coated finishes.
