

UNDER MOUNT CONFERENCE TABLE KITS

Under mount kits bring the power right out to the edge of the table. By bringing power out to the edges, you're able to provide easy-access outlets to each individual seat. Available with a center or edge infeed, you're able to power the whole kit from a single outlet, wherever it may be.

IN-SURFACE CONFERENCE TABLE KITS

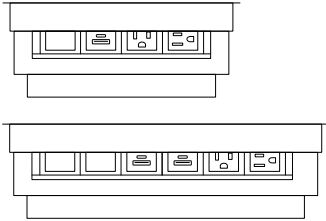

In-surface kits allow you to provide outlets to a group with a single unit by inserting it into the table. These units require cutting through a worksurface to bring power straight through the table. With multiple ports for each unit, you're able to power a lot of people with a minimal amount of units.

4 UNIT - CENTER INFEED

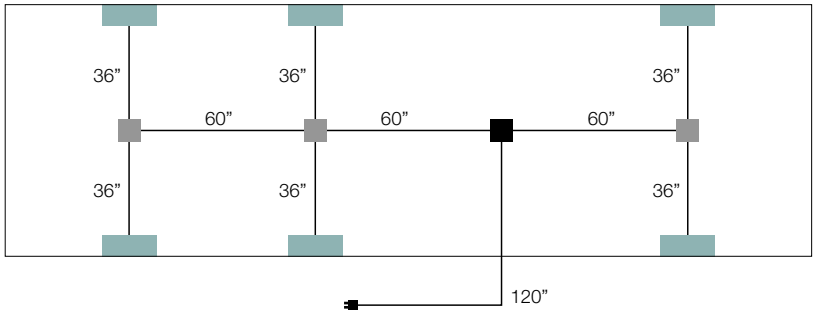

- (1) 120" Power Infeed
- (1) Black Distribution Block
- (2) Gray Distribution Blocks
- (2) 36" Straight Jumper
- (4) Under Mounted Units with a 24" Cord
- (12) Cord Management Clips

4 UNIT - EDGE INFEED

- (1) 120" Power Infeed
- (2) Gray Distribution Blocks
- (1) 60" Straight Jumper
- (4) Under Mounted Units with a 24" Cord
- (12) Cord Management Clips

6 UNIT - CENTER INFEED

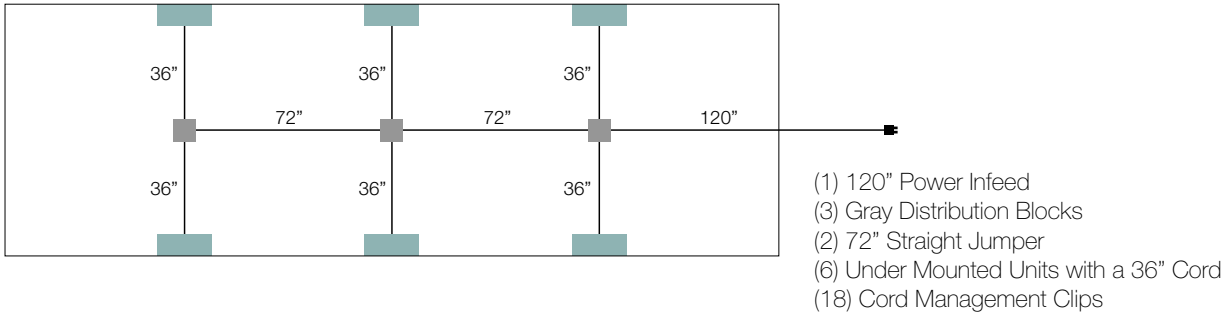

- (1) 120" Power Infeed
- (1) Black Distribution Block
- (3) Gray Distribution Blocks
- (3) 60" Straight Jumpers
- (6) Under Mounted Units with a 36" Cord
- (18) Cord Management Clips
