OVERVIEW

Burelé has always lived right up on the worksurface, making it a great place to charge your tech. Its uniquely customizable top offers endless design options, and now with Burelé Qi, you can add wireless charging to the mix. Personalize the lid with whatever inspires you—color, branding, and even textures—and simply set your Qi-enabled device on top to charge. Don't forget that this desktop powerhouse still offers plenty of plug-in options too, including USB-C for phones, tablets and more.
