

BYRNE

Axil® M

OVERVIEW

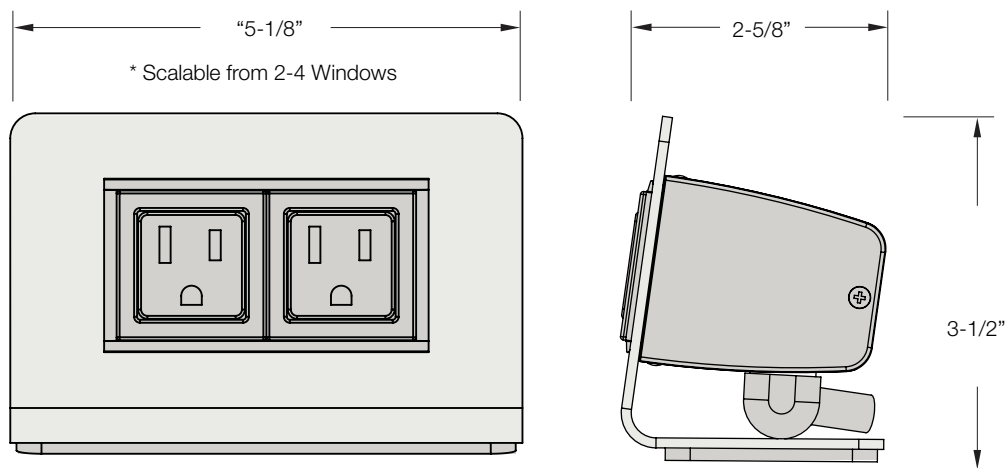

A new member of our popular Axil family - Axil M is a freestanding, monument style accessory. It's available in 2,3, or 4-port sizes, so it's perfect for personal use or shared workspaces. Plug in laptops, phones, tablets easily – without reaching under the table. With plenty of options for braided cord too, Axil M can easily blend in or stand out in any space.
