

BYRNE

Verve

Tabletop Power & Charging

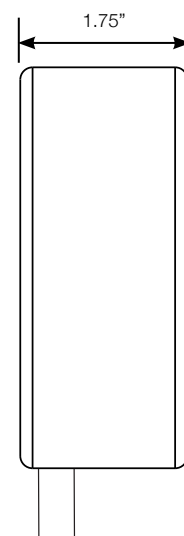

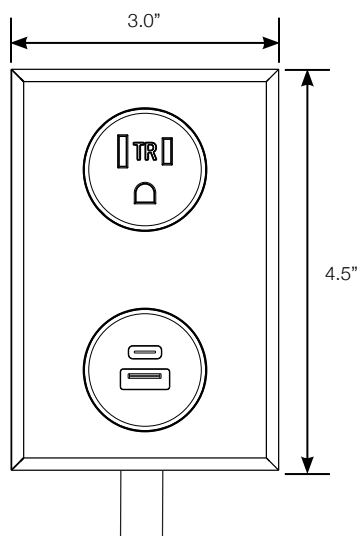

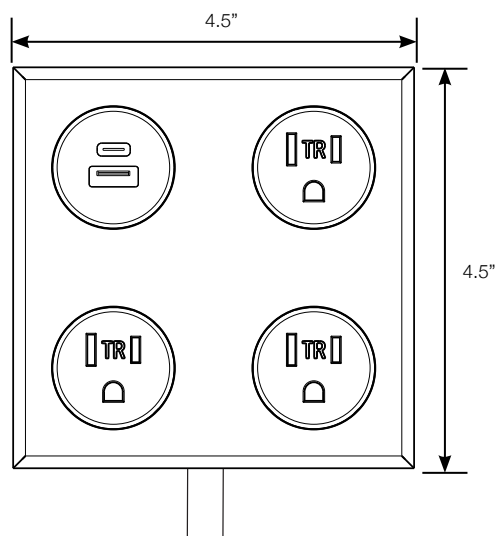

OVERVIEW

Power that blends in beautifully. Wrapped in rich, real wood with a clean metal top, it's the kind of power solution you'll actually want to show off. Charge your phone, plug in your laptop, or power your record player—all from one stylish little box. With its fabric-wrapped cord and clever low-profile plug, Verve keeps things neat while keeping you connected.

FEATURES AND BENEFITS

- Solid wood, powder-coated steel faceplate, and over-braided cord for an elegant yet durable finish
- Available in 2 or 4 outlet versions with charging USB-A+C for all your devices
- Kiddo friendly, certified, tamper-resistant sockets
- Anti-slip backing for stability and easy mobility, perfect for dynamic spaces
