

BYRNE

Concurrent™

* Image depicts Concurrent with Hexplex & White Trippel.

OVERVIEW

Concurrent™ keeps your workspace effortlessly powered and clutter-free with outlets both above and below your desk. Up top, you get easy-access charging for your everyday tech—phones, tablets, laptops. And below the desk, it discreetly powers the stuff that stays put, like monitors, lamps, or standing desks.

But here's the genius part: with our exclusive SurgeSwap® tech, you can easily replace the built-in surge protector cartridge down the line—no tools, no waste, no electrician required.

FEATURES AND BENEFITS

- Single cord with 1 desktop power unit and 1 power strip below the desk
- Choose between two power strip sizes: Hexplex 6-outlets and Triplex 3-outlets
- Available with patented SurgeSwap, surge protection technology cartridge
- 1000-joule rating surge protection
- Discreet under-surface mounting
- 9-foot (108") power supply cord allows for easy installation anywhere in the room
- Power access is spread out, making it easy to locate, plug, and unplug devices and manage cords
